Sitting at the heart of Canggu's Batu Bolong beach, we welcome you with a curated modern culinary experience set between a line of fire and the Indian Ocean. An intimate space designed to gather and share our passion for good times, food, drinks, and culture.

The cuisine is pure and stripped back. We emphasize the essentials, produce, skill and fire. Our chef delivers an honest modern menu with a burning edge; every item is touched by flames powered by natural wood and charcoal embers.

Our cocktail program is sharp, clean, and refined. The wine list is world-class.

**PROJECT : BLACK**

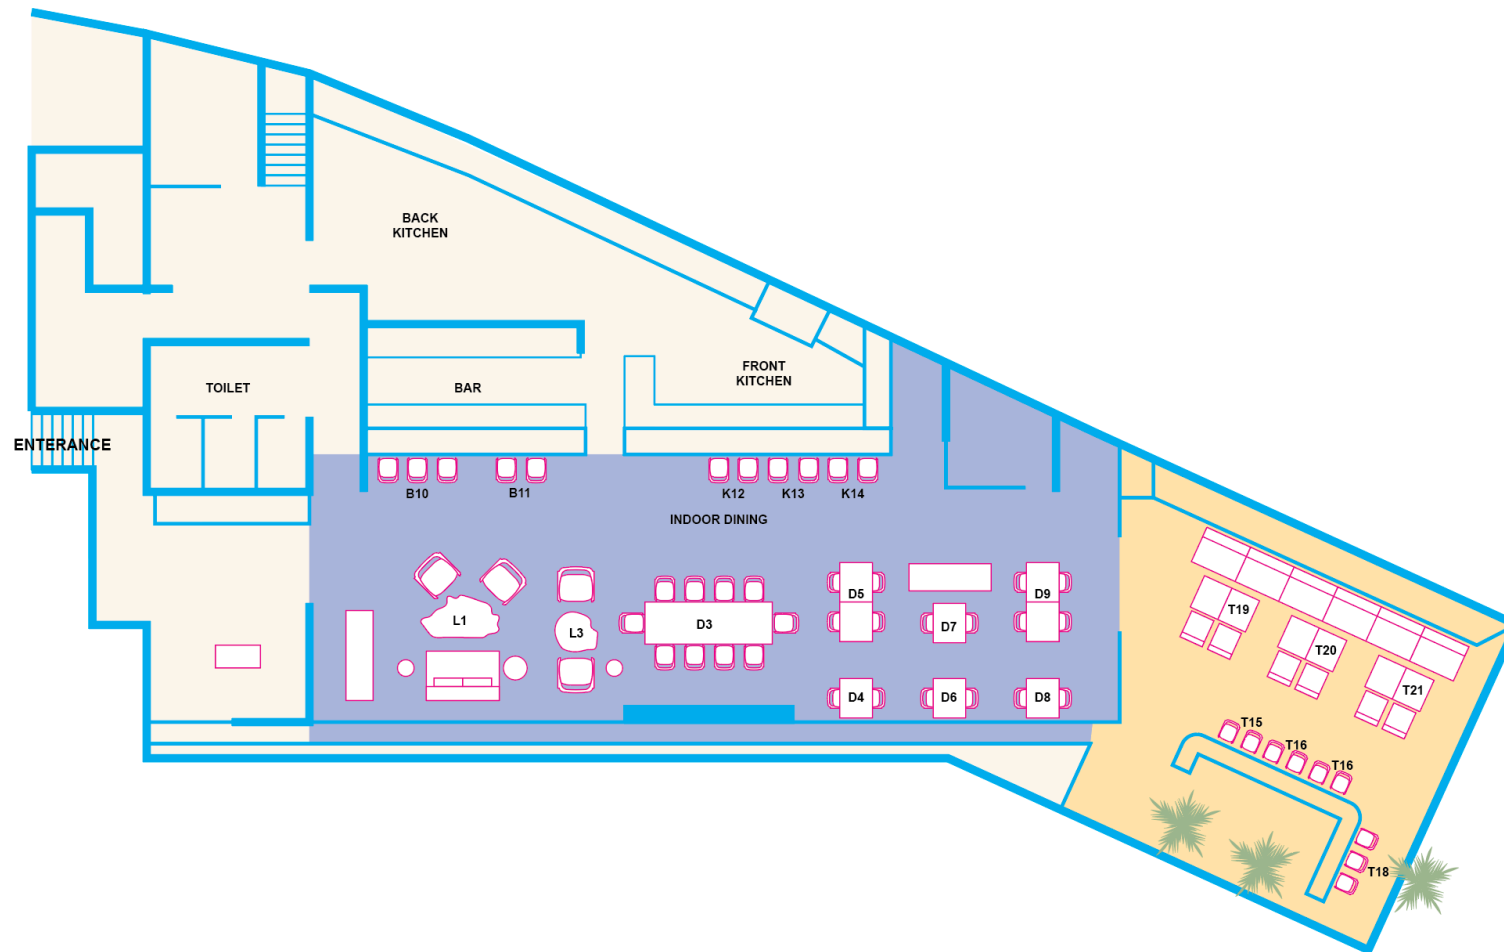

Two separate areas- dining and terrace- can be booked individually or combined to accommodate more significant exclusive bookings. The space works for only intimate occasions and those seeking elevated dining experiences.

Booking for cocktails & canapés at the terrace or a proper dining experience with a curated sharing-style Feed Me menu is available for dinner seven days a week (excluding special events) - from 5 till late.

Minimum spending on food and beverage will apply to secure the space, depending on the date and time of your booking.
